

Payment Terms

Payments for all training or consultancy must be paid within 30 days of receipt of our invoice.

If payment is not received within 30 days then late payment fees may apply.

This will accrue at 8% plus the Bank of England base rate of interest per month until the debt is paid.

Bill Cunningham Associates also reserve the right to claim debt recovery costs from the client in the event of late payment.

These conditions are in accordance with UK Government guidance. More details can be found at:
